

# The Bona<sup>®</sup> Abrasion System

## Setting the New Standard for Wood Floor Abrasion

### **Bona FlexiSand DCS<sup>®</sup> Buffer**

- Integrated channel for superior dust containment
- Durable chassis with low-profile design

### **Bona MultiDisc**

- All discs spin independently eliminating swirl marks
- Creates smooth and flat surface receptive for finish adhesion

### **Bona Diamond Abrasives**

- Durable and long-lasting
- No visible swirl marks

### **Bona DCS Back Vac**

- Powerful HEPA-ready vacuum
- Ergonomic padded shoulder and waist straps
