

## Bona Commercial System™ Tools & Maintenance

Renovating and maintaining resilient and hardwood floors starts with the right tools. With the Bona Commercial System™ you have access to everything needed to transform your client's resilient and hardwood floors. From a dispensing bucket that allows for optimal efficiency when applying finish to the best rollers and pads to give a professional look to the floor. The Bona Commercial System™ Multi-Surface Floor Care Kit provides you with the essentials to maintain the beauty and shine of your client's floors. Our reusable microfiber pads along with our durable aluminum mop with a 24" base, make it simple and cost-effective to maintain your client's floors.
