

Bona Power Drive®

All-directional and versatile disc sanding system

A powerful and flexible machine that can be equipped with many different drive plates for a wide variety of floor preparation

The Bona Power Drive® is a truly all-directional and versatile disc sanding system that delivers exceptional power, provides powerful rotary sanding to bare wood, and can significantly reduce your edging time. The Bona Power Drive delivers an amazingly fine and smooth sanding result and minimizes the risk of drum marks or chatter.

- Can be used to sand the entire floor from the start, or follow after one cut with a Bona Belt machine
- Achieves the flattest floor with the best scratch pattern for stained or natural floors
- Saves labor time and cost by reducing edging time up to 50-80%
- Atomic DCS® compatible
- 2 year warranty
- GREENGUARD Certified
